Docket No. 98N-1265 415 '99 APR 28 10:18

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: After trying several types / brands of hormone replacement therapies with various unpleasant side effects, my doctor prescribed the capsules I am now getting from Madison Pharmacy in Wisconsin. These capsules are not available to me in my state (Michigan). Please do not restrict my access, and indeed, right to this medication!
